If you are logged in you will get this main section

User: 71 - info@patridkmoorat

The image shows the same HRC and World Shooting Para Sport logos as above, but within a larger frame representing a user's main dashboard. Below the logos, the word 'Main' is written in the top left corner. The dashboard contains six icons arranged in a 2x3 grid, each with a label below it: 'Enter Result' (target icon), 'Enter shooting date and time' (clock icon), 'Result' (document with checkmark icon), 'Login' (blue globe icon), 'Password' (blue padlock and yellow key icon), and 'Certificate' (document with seal icon).

Enter Result

Here you can manage your shooter results  
Once a month has passed, the previous month can no longer be edited.

### Enter shooting date and time

When a shooter shoots with electronic target. Then he must submit a message before each competition (at least 1 hour before) when his competition starts. This function is for the follow-up check, which the shooter shot only at this time his competition.

After the 4 months, it is determined by random generator, which shooter must send in their results, for check.

Shooters shooting with a paper target will be given all serial numbers of the respective targets per month when registering.

Shooter with paper target do not have to register here

This ensures that the shooter can not repeat a bad event.
